Due to the holiday next Monday in the United States our deadline is extended until Tuesday, October 13. We are offering funding for registration, housing and transportation. We will consider applications from all astronomy librarians in resource-poor institutions. We have received no applications using fax or postal mail. We acknowledged each application received, if you did not hear from us; we did not get your application.

Application for funds to attend
Library and Information Services in Astronomy VI
Pune, India February 14 - 17, 2010

The Friends of LISA VI Committee wish to thank all the publishers, institutions and individuals who so generously gave to our scholarship fund. This money will assist librarians who wish to attend LISA VI but are unable to receive full assistance from their institutions. We are happy to announce the application process and would like to help as many people as possible. We will fund either conference fees, housing or transportation. Our transportation fund will be limited to \$1000 per applicant.

Housing for FOL VI recipients will be in shared accommodations in institute guest houses. Housing and registration fees will be paid directly to the conference organizers. In cases where we are able to provide some travel assistance, it is our intention to send the funds via bank transfer. No per diem will be offered as it is covered in conference registration.

Please fill out the application and return by October 13, 2009. Applications for FOL VI support may be sent via email, fax or postal mail, but email or fax are preferred. We will acknowledge the receipt of all applications; if you do not receive an acknowledgement, please contact us.

applications should be sent to:

email: library@usno.navy.mil
fax: 202 762-1516

postal:

Sally Bosken
6220 Broad Street
Bethesda, MD 20816
USA

Friends of LISA VI committee
