## **LISA V Update** (cross-posted on Astrolib and PAMnet)

Registration is now open for the Library and Information Services in Astronomy (LISA) V conference, to be held June 18-21, 2006, in Cambridge, Massachusetts, USA. The theme of the conference is "Common Challenges, Uncommon Solutions".

To register, go to:

<http://www.cfa.harvard.edu/library/lisa/registration.html>

For more information about the conference, see:

<http://www.cfa.harvard.edu/library/lisa/>
